COVID-19 Update  
November 27, 2020

## Message from Mayor Buontempo:

Good evening. This is Mayor Greg Buontempo.

I hope that you and your family had a wonderful Thanksgiving. I am calling to provide you with an update.

Holmdel Township currently has **130 active COVID-19 cases**. This is the highest number of active cases since the beginning of the pandemic. As of this week, the Township has had a cumulative total of **514 positive COVID-19 cases**. It is clear that we still have not reached the crest of the pandemic's second wave. If we each do our part, we can help to slow the spread of this virus and keep our community safe.

It is important for all of us to continue observing the recommendations of the CDC and the directives coming out of the Governor's office. As a reminder, the state of New Jersey has limited indoor gatherings to ten people. Outdoor gatherings have a limit of one hundred and fifty people.

With the holiday season approaching, I ask you to please exercise caution if you decide to shop in-person or go out to eat at a restaurant. Wearing a mask and maintaining six feet of distance from those outside your household are the best way to keep you and others safe. When you get home, it is a good practice wash your hands and wipe down any purchases with disinfectant.

For those looking for a family-friendly and socially-distanced way to kick off the holiday season, the PNC Bank Arts Center will be hosting a drive-through holiday experience called the "Magic of Lights". The organizers have offered Holmdel residents a discount if tickets are purchased before November 30<sup>th</sup>. Please refer to the November issue of the Township Newsletter for specific details.

I encourage you to follow our Facebook page and to subscribe to notifications from the Holmdel Township website so that you are up to date on the latest Township news, guidance, and prevention tips.

Have a wonderful weekend! And as always, stay healthy and stay safe. Goodnight.
