Community Tree Recovery Day

April 24, 2021

8:00am – 2:00pm (or while supplies last)

Sponsored by: NJ State Forest Service Nursery

On April 24th, the Department of Public Works in partnership with the NJ Forest Service Nursery will be hosting a Community Tree Recovery Day event at Bell Works. Residents are invited to stop by the event to pick up a tree sapling that they can plant on their property. Help to replace many of the damaged or destroyed trees in our community.

These trees create defining features of many neighborhoods as well as give numerous benefits to residents. Through the NJ Tree Recovery Campaign, you can help your Holmdel community residents replant missing trees. There is no charge to pick up your sapling. Make sure to stop by early – event will continue as long as supplies last.

FREE TREE Seedlings
for residents
April 24, 2021 8 a.m.- 2 p.m.
at the BELL WORKS
